INTERNSHIP OFFER LETTER

Dear **Abdul Qadeer**,

We are pleased to extend this formal offer of a position within **THE ARZENS (PRIVATE LIMITED)**. Following the rigorous evaluation of your application and technical assessment, you have been selected for the **Advanced Internship Program** in the domain of **Offensive Security & Vulnerability Assessment**.

During this program, you will work closely with our core security teams and mentors on real-world cybersecurity projects, advanced threat emulation, defensive configurations, and automation pipelines. This is a learning-centered, hands-on engagement designed to build high-level field competency.

We look forward to welcoming you to the team. Please ensure that you complete all onboarding steps through your portal. Your reference code **ARZ-2026-N5MV** is unique to you and can be used to verify your participation at thearzens.tech/verify.

FIELD	DETAIL
Candidate Name	Abdul Qadeer
